Library Services to Youth of Hispanic Heritage  Barbara Immroth 2000-05-01 As the United States becomes ever more comfortable with recognizing the cultural diversity of the many groups that make up its population, library services must seek to meet patrons' needs as they are shaped and expressed by their cultural backgrounds. This goal is particularly important for youth library services. For young people of Hispanic heritage, library services attuned to their specific needs and interests are crucial. Many librarians struggle with how to properly create and maintain library programs and collections that are suitable to the needs of Hispanic youth. In this series of essays prepared for the Trejo Foster Foundation for Hispanic Library Education Fourth National Institute, national leaders in librarianship present their insights about how best to meet the needs of young Hispanic library patrons. The text is introduced by the editors, and the essays are arranged in parts: Programs; Collections; Planning and Evaluating; Bibliographical Resources; and For the Future. Information about the contributors and an index conclude the volume.

Two Little Monkeys Mem Fox 2012-05-01 These monkeys are on the move! A playful, rhyming picture book from an award-winning team. Two little monkeys playing near a tree, One named Cheeky, and one named Chee. Look out, Cheeky! Look out, Chee! Someone’s prowling—who could it be? From bestselling picture book giants Mem Fox and Jill Barton, here is a sweet, surprise-filled story that’s sure to have little ones everywhere leaping with delight!

Multicultural Literature and Response Lynn Atkinson Smolen 2011 All students need access to books in which they can see themselves—not just their physical appearance, but their culture and language, as well. "Multicultural Literature and Response: Affirming Diverse Voices" was written to help teachers and librarians find and use the best multicultural books in the service of reading comprehension and more. Underscoring the necessity of selecting quality literature that authentically, sensitively, and accurately portrays different groups, the book defines multicultural literature and provides a strong argument for its importance in schools and libraries. Expert contributors guide users to multicultural authors and illustrators who portrays U.S. ethnic and cultural groups, and they suggest ways to integrate this literature with writing, fluency development, storytelling, and audiovisuals. Extensive lists of books and websites that feature multicultural literature, as well as of authors, illustrators, and publishers of multicultural literature, make it easy to include such works in programs across the curriculum.

**Great Books for Babies and Toddlers** Kathleen Odean 2008-12-18 “The ideal time to begin sharing books with children is during babyhood, even with children as young as six weeks.” —Starting Out Right National Research Council All parents hope to give their children the best possible start in life. Many of them know it’s a good idea to read to their children at a very young age, not with the goal of teaching their kids to read, but with the joy of having special time together looking at pictures and playing with words. Carefully chosen books that introduce children to the pleasures of language, simple story structure, and wonderful artwork are the foundation for a future love of books. Great Books for Babies and Toddlers is the first book of its kind—a guide to the best age appropriate children’s books available. Compiled by Kathleen Odean, former Chair of the Newbery Award Committee, Great Books for Babies and Toddlers provides lively annotations for more than five hundred books, divided into two helpful categories: Nursery Rhymes, Fingerplays, and Songs; and Picture-Story Books for the Very Young. With story selections ranging from such classics of children’s literature as Goodnight Moon and Where’s Spot? to excellent new books like How Does a Dinosaur Say Good Night? and Buzz!, Great Books for Babies and Toddlers will be more than a cherished guide for parents—it will also be a child’s first step in the lifelong adventure of reading.

The Nursery Rhymes of England James Orchard Halliwell-Phillipps 1842

Play, Projects, and Preschool Standards Gera Jacobs 2007 Today's teachers and providers are often challenged by and concerned about the expectations in their states' early learning standards. How appropriate are standards for young children? How do they correlate with existing expectations and curricula? How inclusive are standards for second language learners and those with disabilities and developmental delays? In Play, Projects, and Preschool Standards, authors Gera Jacobs and Kathy Crowley tackle these questions-and more-head-on. They provide readers with plenty of lively, creative ideas to develop children's genuine curiosity while building essential skills for all children to succeed in kindergarten and beyond. With inviting, informal language, the authors walk readers through the creation of well-planned projects and activities that both capture children's interest and enhance social and early academic development in all curriculum areas. Each chapter offers: "What Research and the Experts Tell Us" snapshots and applications of the research in practice, "Try This" activity ideas that engage children and address standards, Suggestions for tailoring activities to meet the needs of bilingual children and children with special needs, This timely book is sure to give teachers and childcare professionals the confidence and ability to connect the experiences that make preschool so enjoyable with the potential for learning that makes preschool so valuable. Book jacket.
